PMA Bracket Assembly PMA Rub Strip

Hawker 750, 800XP, 850XP, 900XP

Bracket assembly with Hawker mod and rub strip!

Why buy a replacement rub strip when you can get the complete bracket assembly with the Hawker cut-out mod for a little more than the price of an OEM rub strip?

p/n HS7838200A-41 PMA approved replacement for:
p/n HS7838200-41 OEM bracket assembly
p/n HS7838201-3 OEM bracket assembly

If you still want to get only the rub strip, we have Parts Manufacturing Approval (PMA) on that as well.

p/n HS7838200A-43 PMA approved replacement for:
p/n HS7838200-43 OEM rub strip

The only difference is the price!
